

The w.bruford 2008 Summer Event

The East Sussex National Golf Resort and Spa was, once again, the venue for this year's ever-popular, w.bruford 'Summer Event' held on Sunday, July 20th 2008.

The event was organised by the renowned jewellery, watch and gift retailer, w.bruford of Eastbourne.

As well as an extended product range to browse through, a selection of top international suppliers were on hand to offer advice on buying, selling, maintaining and insuring top quality jewellery, gifts and watches.

Throughout the day, over 1,000 guests were entertained by a wonderful jazz band and a plentiful supply of wines and hors d'oeuvres were served to keep everyone suitably refreshed, (although the chocolate fountain seemed to be supplying a great deal of refreshment as well!)

The views across the golf course and the superb facilities of the venue made for an excellent day in the sunshine and the tours of the hotel, spa and golf resort, along with the chance to sit in the latest BMWs from Chandlers Hailsham, made it a rewarding day for all concerned.

The management and staff of w.bruford and all those involved with the event would like to take this opportunity to say a big 'thank-you' to all those customers and friends who attended.
